Dear Ms. Patterson:

This is a request for records under the Freedom of Information Act. This is not a request for records under the Privacy Act. I request a copy of any email retrieved from your email account that contains the word RAVNITZKY. I am willing to accept a search for whatever time period is accessible by doing a simple electronic keyword search within a two hour time period. However, I believe that such a search should take no longer than five minutes in all.

This is an individual noncommercial request. I agree to pay up to \$25 if necessary. Please release all segregable releasable portions. Please apply the presumption of openness outlined in the President's Memorandum on FOIA, and the foreseeable harm standard.

Sincerely,

Michael Ravnitzky

This is a request for records under the provisions of the Freedom of Information Act.

I request a copy of any emails in the Dept of the Navy-Main Office FOIA Office that contain the word "Ravnitzky". This means emails with that word anywhere in the email.

The scope of this request is/are emails retrieved from an electronic search or searches of computers or email computer systems used by the FOIA Office. I am primarily interested in any emails during the time period January 1, 2009 to the present, but if a non-arduous electronic search will only retrieve records from a lesser/shorter period, that will be sufficient for purposes of this request.

I would like those emails that can be retrieved within a 2.5 hour search time and I will accept the emails located within a 2.5 hour search period as sufficient for purposes of this request.

This is a noncommercial individual request and it falls into the "all other requesters" fee category. I agree to pay up to \$30 for statutory fees, if necessary, without additional permission. Please let me know if fees are expected to exceed this amount, and why.

Please abide by the President's Memorandum on FOIA, the presumption of openness, the Attorney General's Memorandum on FOIA and the foreseeable harm standard.

Sincerely,

Michael Ravnitzky
